

SEPTEMBER 2020 UPDATES

We have made updates to our Roller Shade and Roller Roman Shade Collections. These updates are now live in your ordering system and are shown in our updated product guides.

See below for additional details or visit the Franchisee Toolkit on the Inspired Shades website to download updated guides.

<http://www.inspired-shades.com/franchisee-toolkit.html>

UPDATES TO BOTH COLLECTIONS:

Warm Gray Components

- Warm Gray Rounded and Square Cassettes, Clutches and Chains are now available and offer the perfect balance between our Beige and Gray component colors.
- With this new color we have updated our recommended component color for several patterns. *See the next page for pattern list or download our updated product guide.*

Smart Home Collection

- Smart Home Collection options, specifications, and pricing can now be found in our standard product guides.
- Both collections now ship with V2 Lithium Ion Motors.

UPDATES TO ROLLER SHADE COLLECTION ONLY:

Cordless Raceway Bar

- Black Cordless raceway bars and installation brackets have been added.

6" Inspired Box Valance

- 6" Inspired Box Valances have been added.
