

DUAL SHEER SHADE COLLECTION

DISCONTINUED FABRICS

With the 2023 Dual Sheer Shade Collection Update, we have discontinued several fabrics in the collection to make room for our new options. All discontinued patterns have a comparable option still available in the new collection.

Discontinued fabrics will remain available to order until December 31, 2023. Please be sure to move into our new book to have the most up-to-date options in the collection.
