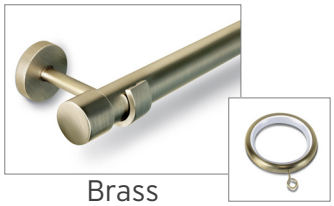
- 48" - 72" *(includes two brackets)*
- 72" - 84" *(includes three brackets)*
- 84" - 100" *(includes three brackets)*

Color options include Black, Brass, Pewter, and Silver.

Black



Brass

Pewter

Silver

HARDWARE INCLUDES

When ordering drapery panels with hardware, your order will include installation brackets for the rod and rings for pinch pleat and ring ready panels. Rod, installation brackets, and rings are included in the drapery hardware price.

HOW TO ORDER

Order under **Inspired Shades Drapery Panels with Hardware**.

Each line item will include **one rod**. Line quantity should be equal to the number of panels being installed to the rod.

OPERATIONAL PANELS

Drapery hardware can be used for operational panels.

Because center support brackets are required for wider widths, only split draw is recommended for operational panels between 72" - 100".
