ROLLER SHADE COLLECTION

The Inspired Shades Roller Shade Collection features over 400 patterns. All patterns in the collection can be made as roller shades or sliding panels.

Fabric styles include sheer, light-filtering, room-darkening, and solar screen.

NATURAL SHADE COLLECTION

The Inspired Shades Natural Shade Collection features over 90 patterns. All the patterns in the collection can be made as roman shades. Many can also be made as sliding panels or folding doors.

The Natural Shade Collection features a full range of natural shading options and brings you a variety of textures and price points.

NATURAL ROLLER COLLECTION

The Inspired Shades Natural Roller Shade Collection features over 60 patterns that can be made into roller shades and sliding panels.

Natural Roller Shades combine the simplicity of a roller shade with the beauty and texture of a natural woven fabric. When raised, natural roller shades stack clear of the window and operate without lift cords on the back.

DUAL SHEER SHADE COLLECTION

The Inspired Shades Dual Sheer Shade Collection features over 100 patterns.

Dual Sheer Shades combine modern styling and color options with the versatility of complete light and privacy control. Align the fabric bands in the open position for light and view-through, or close the bands for privacy and shade. Raise the shade to allow full light and enjoy the view.

FABRIC ROMAN SHADE COLLECTION

The Fabric Roman Shade Collection offers a soft fabric look with the added benefit of light and privacy control. The collection includes over 150 fabrics.

The collection has 4 shade styles: Flat, Knife Pleated, Front Slat, and Hobbled. Shades can be ordered with or without valances.

Shades can be made with seamless fabrication up to 96" wide by 96" long.

DRAPERY PANEL COLLECTION

Our Drapery Panel Collection offers high-quality stock panel options with some custom features, all at an unbeatable price.

Drapery Panels can bring a decorative touch to your windows or be used for more functional purposes like light gap blockage or full panel closure.

Several fabrics in this collection can also be made as Fabric Roman Shades.
