CORDLESS LIFT SYSTEMS

EASY LIFT:

- Rises automatically once spring is released by pulling the bottom bar down slightly.
- Available with either clear hem grips or tassels (colors pictured).

EXACT LIFT:

- Raise or lower shades to an exact position.
- Allows perfect alignment of side by side shades in the same window or room. Shades ordered as side by side come standard with pattern matching at no additional charge.
- Available with clear hem grip.

CORDLESS LIFT ASSIST:

- Our cordless lift assist accessory provides an assisted lift for shades in taller windows and reaches a length of 45".
- Use to lower Easy Lift shades or raise and lower Exact Lift shades.
