

INSPIRED BOX VALANCE

INSPIRED BOX VALANCE

- Additional top treatment option.
- Fabric-wrapped board valance that installs separately to shades.
- Boards are available in a 4" and 6" heights up to 115" wide.
- Order with or without returns, depending on your application. Returns can be ordered in custom sizes from 1"- 6".

CONSIDERATIONS:

- When ordering box valances with returns, the valance must be ordered at least 1 3/8" wider than the corresponding shade.
- More width may need to be added to the valance to accommodate for covering window trim or multiple shades under one valance.

HOW TO ORDER:

- Box valances can be ordered under **Inspired Shades Roller Shades Top Treatments** in your ordering system.
- To avoid freight surcharges, place your valance order with your shade order to be shipped together.

WHEN TO USE THEM:

- Valance option for sliding panels up to 115" wide.
- Cover multiple shades under one valance.
- Cover shades with a dual bracket.
- Use with side mount applications.
