WEBSITE FEATURES

Inspired Shades offers two websites designed exclusively for Budget Blinds® franchisees and customers. See below for details on our two sites.

INSPIRED-SHADES.COM

- Find franchisee facing content that includes the selling features of our collections and information about working with Inspired Shades.
- This site also features the Franchisee Toolkit, which is packed with all the resources you need to work with Inspired Shades, including product guide downloads, digital assets, request forms, FAQs, and so much more!
- Product guide downloads can be accessed in the Franchisee Toolkit and are password protected.

SHOP-INSPIRED-SHADES.COM

- Find 100% consumer facing content that allows you to show your customers the options available in our collections!
- Use our collection Swatch Shops to place sample orders online. This feature is available for use by you or your customers, and we never charge for swatch orders.
- View shade installation photos from franchisees in our Installation Galleries.
